PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Prior to examination of the above-captioned application, please amend the application as follows:

IN THE CLAIMS:

Please cancel Claims 1-18 as amended during the International phase, without prejudice.

Please add new Claims 19-37 as follows:

19. A method of distributing information to users in a cellular telecommunications network comprising a plurality of base stations transceiving in a plurality of cells of the network, the method comprising:

providing a plurality of mobile stations, each of the mobile stations having an associated information access status;
